THE VOTING AND VOTE REQUIRED

Record Date and Quorum

Only stockholders of record at the close of business on September 7, 2022 (the “*Record Date*”) are entitled to notice of and to vote at the Annual Meeting. On the Record Date, we had 338,738,994 shares of common stock, par value \$0.001 per share (“*Common Shares*”) outstanding, 4,908,333 shares of Series B Convertible Preferred Stock, par value \$0.001 per share (“*Series B Preferred Shares*”) outstanding and 6,216,216 shares Series C Convertible Preferred Stock, par value \$0.001 per share (“*Series C Preferred Shares*”) outstanding. Each Common Share is entitled to one vote, each Series B Preferred Share is entitled to the number of votes equal to the number of whole Common Shares into which the Series B Preferred Shares are convertible as of the Record Date and the Series C Preferred Shares are non-voting shares. As of the Record Date, each Series B Preferred Share is convertible into one Common Share and therefore entitled to one vote. The Common Shares and the Series B Preferred Shares (collectively, the “*Shares*”) will vote together as a single class on the matters to be voted on at this Annual Meeting. In the aggregate, 343,647,327 votes may be cast at the Annual Meeting. Shares represented by each properly executed, unrevoked proxy received in time for the Annual Meeting will be voted as specified. A quorum will be present at the Annual Meeting if stockholders owning a majority of the Shares outstanding on the Record Date are present at the meeting in person or by proxy.

Voting of Proxies

The persons acting as proxies (the “*Proxyholders*”) pursuant to the enclosed proxy will vote the Shares represented as directed in the signed proxy. Unless otherwise directed in the proxy, the Proxyholders will vote the Shares represented by the proxy: (i) for the election of the director nominees named in this Proxy Statement; (ii) for the advisory approval of the appointment of M&K CPAs PLLC as the Company’s independent auditors for the year ending December 31, 2022 (the “*Approval of Auditors*”) and (iii) in their discretion, on any other business that may come before the Annual Meeting and at any adjournments of the Annual Meeting.

All votes will be tabulated by the inspector of election appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. All shares represented by valid proxies will be voted in accordance with the instructions contained therein. In the absence of instructions, proxies will be voted FOR each of the stated matters being voted on at the Annual Meeting. A proxy may be revoked by the stockholder giving the proxy at any time before it is voted, by written notice addressed to and received by the Secretary of the Company or Secretary of the meeting, and a prior proxy is automatically revoked by a stockholder giving a subsequent proxy or attending and voting at the Annual Meeting. Attendance at the Annual Meeting, however, in and of itself does not revoke a prior proxy. In the case of the election of directors, Shares represented by a proxy which is marked "WITHHOLD ALL" to vote for all director nominees will not be counted in determining whether a plurality vote has been received for the election of directors. Shares represented by proxies that are marked "ABSTAIN" on the Approval of Auditors or any other proposal will not be counted in determining whether the requisite vote has been received for such proposal. However, Shares represented by proxies which are marked "WITHHOLD ALL" or "ABSTAIN" will be counted for quorum purposes.

Broker Non-Votes

A broker non-vote occurs when Shares held by a broker are not voted with respect to a particular proposal because the broker does not have discretionary authority to vote on the matter and has not received voting instructions from its clients ("*broker non-votes*"). If your broker holds your Shares in its name and you do not instruct your broker how to vote, your broker will only have discretion to vote your Shares on "routine" matters. Where a proposal is not "routine," a broker who has not received instructions from its clients does not have discretion to vote its clients' uninstructed Shares on that proposal. At the Annual Meeting, only the Approval of Auditors (Proposal No. 2) is considered a routine matter. All other proposals are considered "non-routine," and your broker will not have discretion to vote on those proposals. Broker non-votes will, however, be counted towards determining whether or not a quorum is present.

Voting Requirements

Election of Directors. The election of the five director nominees will require the affirmative vote of a plurality of the votes cast by the holders of Shares present in person or represented by proxy to elect each nominee. Election by a plurality means that the director nominee with the most votes for a particular Board seat is elected for that seat.

Advisory Approval of the Appointment of Independent Auditors. The affirmative vote of a majority of the votes cast on the matter by stockholders entitled to vote at the Annual Meeting is required for the advisory approval of the appointment of M&K CPAs PLLC as the Company's independent auditors for the fiscal year ending December 31, 2022. An abstention from voting on approval of auditors will be treated as "present" for quorum purposes. However, since an abstention is not treated as a "vote" for or against the matter, it will have no effect on the outcome of the vote on this matter.

Proposal No. 1 ELECTION OF DIRECTORS

Five directors are to be elected at the Annual Meeting. All directors hold office until the next annual meeting of stockholders and until their successors are duly elected and qualified.

It is intended that votes pursuant to the enclosed proxy will be cast for the election of the five nominees named below. In the event that any such nominee should become unable or unwilling to serve as a director, the Proxyholder will vote for the election of an alternate candidate, if any, as shall be designated by the Board. The Board has no reason to believe these nominees will be unable to serve if elected. Each nominee has consented to being named in this Proxy Statement and to serve if elected. In determining director independence, the Board applies the independence standards set by the Nasdaq Stock Market ("*NASDAQ*"). In applying these standards, our Board considers all transactions with the independent directors and the impact of such transactions, if any, on any of the independent directors' ability to continue to serve on the Board.

Board Committees

The Board has three standing committees: an audit committee (the "*Audit Committee*"), a compensation committee (the "*Compensation Committee*") and a nominating and corporate governance committee (the "*Nominating and Corporate Governance Committee*"). The Audit Committee retained M&K CPAs PLLC (“*M&K*”), our independent registered public accounting firm, and approves in advance all permissible non-audit services performed by them and other auditing firms. Although management has the primary responsibility for the financial statements and the reporting process including the systems of internal control, the Audit Committee consulted with management and M&K regarding the preparation of financial statements, the adoption and disclosure of our critical accounting estimates, and generally oversees our relationship with M&K.

The Audit Committee reviewed our audited financial statements for the year ended December 31, 2021 and met with management to discuss such audited financial statements. The Audit Committee has discussed with M&K the matters required to be discussed pursuant to applicable auditing standards. Disclosure of Director Qualifications

The Board is responsible for assembling for stockholder consideration a group of nominees that, taken together, have the experience, qualifications, attributes, and skills appropriate for functioning effectively as a Board.

The Board believes that the minimum qualifications for service as a director are that a nominee possess an ability, as demonstrated by recognized success in his or her field, to make meaningful contributions to the Board’s oversight of the business and affairs of the Company and an impeccable reputation of integrity and competence in his or her personal or professional activities. The Board’s criteria for evaluating potential candidates include the following: (i) an understanding of the Company’s business environment, (ii) the possession of such knowledge, skills, expertise and diversity of experience that would enhance the Board’s ability to manage and direct the affairs and business of the Company, and (iii) certain characteristics common to all Board members, including integrity, strong professional reputation and record of achievement, constructive and collegial personal attributes, and the ability and commitment to devote sufficient time and energy to Board service.

Board Leadership Structure

Robert Fireman has served as chairman of the board and chief executive officer since July 2017. According to our By-Laws the roles of chairman of the board and chief executive officer are held by the same person. Our Board regularly evaluates our leadership structure and determines the most appropriate structure based upon its assessment of our position, strategy, and our long-term plans. The Board also considers the specific circumstances we face and the characteristics and membership of the Board. At this time, the Board has determined that having Robert Fireman serve as both the chairman of the board and chief executive officer is in the best interest of our stockholders. We believe this structure makes the best use of the chief executive officer's extensive knowledge of our business and personnel, our strategic initiatives and our industry, and also fosters real-time communication between management and the Board.

The Board's Oversight of Risk Management

The Board recognizes that all companies face a variety of risks, including credit risk, liquidity risk, strategic risk, and operational risk. The Board believes an effective risk management system will (1) timely identify the material risks that we face, (2) communicate necessary information with respect to material risks to senior executives and, as appropriate, to the Board or relevant Board committee, (3) implement appropriate and responsive risk management strategies consistent with our risk profile, and (4) integrate risk management into our decision-making. The Board encourages, and management promotes, a corporate culture that incorporates risk management into our corporate strategy and day-to-day business operations. The Board also continually works, with the input of our management and executive officers, to assess and analyze the most likely areas of future risk for us.

Communications with Directors

The Board has established a process to receive communications from stockholders. Stockholders and other interested parties may contact any member (or all members) of the Board, or the non-management directors as a group, by mail or electronically. To communicate with the Board, any individual director or any group of directors, correspondence should be addressed to the Board or any such individual directors or group of directors by either name or title. All such correspondence should be sent to c/o Secretary, MariMed Inc., 10 Oceana Way, Norwood, Massachusetts 02062.

All communications received as set forth in the preceding paragraph will be opened by the Secretary of the Company for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, patently offensive material or matters deemed inappropriate for the Board, will be forwarded promptly to the addressee. In the case of communications to the Board or any group of directors, the Secretary will make sufficient copies of the contents to send to each director who is a member of the group to which the envelope or e-mail is addressed.

COMPENSATION OF DIRECTORS

The compensation package for each of the three non-employee members of the Board is comprised of an annual grant of stock options to purchase up to 100,000 Common Shares with a five-year term at an exercise price equal to the fair value the Common Shares on the grant date, and cash compensation of \$6,250 per quarter.

Employment Agreements

On July 9, 2021, we entered into an employment agreement, effective as of July 1, 2021 (the "Effective Date"), with each of Robert Fireman (the "Fireman Employment Agreement"), Jon R. Levine (the "Levine Employment Agreement") and Timothy Shaw (the "Shaw Employment Agreement"). In May 2022, the Levine Employment Agreement was amended to change his title from Chief Financial Officer to Chief Administrative Officer. On September 7, 2022, the Levine Employment Agreement was amended to change his title from Chief Administrative Officer to President.

The following is a brief description of the material terms of the Fireman Employment Agreement:

- **Title** – Chief Executive Officer;
- **Term** – July 1, 2021 through June 30, 2024 (the “*Term*”), subject to earlier termination;
- **Duties** – The executive will have such duties and responsibilities, consistent with past practice, as are customary for the executive’s position (including the executive’s positions in effect prior to the Effective Date) and any other duties, responsibilities, or offices he may be reasonably assigned by the Board of Directors of the Company;
- **Base compensation** – The executive will be paid a base salary of \$350,000 per year;
- **Incentive compensation** – The executive will be eligible to receive an annual bonus (the “*Performance Bonus*”) for each of the Company’s fiscal years during the Term, with such annual bonus to have a targeted amount equal to 75% of the executive’s base salary for the year. The Performance Bonus, if any, generally will be based on the extent to which performance goals established by the Company for each of such years have been met;
- **Equity compensation** – The executive will be granted non-qualified stock options as follows: (i) for 5,000,000 Common Shares, exercisable at 100% of the fair market value on the date of the agreement, subject to vesting; (ii) for 5,000,000 Common Shares, exercisable at 100% of the fair market value on the date of grant, subject to vesting, on the date that the Company’s stockholders approve the Plan Amendment; and (iii) an additional option grant on each anniversary of the Effective Date in the sole discretion of the Company’s Compensation Committee;
- **Termination Payments; Severance** – In the event executive’s employment is terminated prior to the end of the Term, the executive will be entitled to any accrued but unpaid base salary, unpaid prior year’s Performance Bonus, incurred but unpaid reimbursable expenses, and accrued and unused vacation time. In addition, if the termination of employment is: (i) due to death or Total Disability (as defined), the executive would also be entitled to a pro rata portion of the Performance Bonus, if any, attributable to the year of termination plus medical and group health insurance benefits for a period of six months beginning on the date of termination; and (ii) without Cause (as defined) or with Good Reason (as defined), the executive would also be entitled to a pro rata portion of the Performance Bonus, if any, attributable to the year of termination plus a lump sum severance payment equal to the greater of \$500,000 or his Annualized Pay (as defined);
- **Covenants** – The agreement includes, among other covenants, a covenant not to compete or directly or indirectly solicit employees, agents, consultants, or representatives of the Company during the Term and for post-employment periods.

The material terms of the Levine Employment Agreement are the same as the terms of the Fireman Employment Agreement except that Mr. Levine’s title, as amended to date, is that of President and his annual base salary is \$325,000. Similarly, the material terms of the Shaw Employment Agreement are the same as the terms of the Fireman Employment Agreement except that Mr. Shaw’s title is that of Chief Operating Officer, his annual base salary is \$300,000, and his initial grants of non-qualified stock options are each for 1,250,000 Common Shares.

Company Equity Compensation Plans

The following table sets forth information as of December 31, 2021 with respect to compensation plans (including individual compensation arrangements) under which equity securities of the Company are authorized for issuance.

Plan Category	Number of securities to be issued upon exercise of outstanding options, warrants and rights	Weighted-average exercise price of outstanding options, warrants and rights	Number of securities remaining available for future issuance under equity compensation plans
Equity compensation plans approved by stockholders ⁽¹⁾	39,821,671	\$ 0.91	28,618,664
Equity compensation plans not approved by stockholders	-	\$ -	-
Total	39,821,671	\$ 0.91	28,618,664

(1) Consists of options exercisable for (i) 39,821,671 shares granted under the Incentive Plan (hereinafter defined) of which 3,456,250 shares continue to be subject to the terms of the Company's 2018 Stock Award and Incentive Plan.

The Company's Amended and Restated 2018 Stock Award and Incentive Plan (the "*Incentive Plan*") provides incentives for the achievement of important performance objectives and promotes the long-term success of the Company. In September 2019, the Company's stockholders approved the Incentive Plan. In September 2021, the stockholders approved an amendment to the Incentive Plan, increasing the aggregate number of shares reserved for issuance from 40,000,000 to 70,000,000.

The Incentive Plan is an omnibus plan, authorizing a variety of equity award types as well as cash and long-term incentive awards. Each award under the Incentive Plan is subject to the Company's clawback policy in effect at the time of grant of the award. Shares actually delivered in connection with an award will be counted against the aggregate number of reserved shares. Shares will remain available for new awards if an award under the Incentive Plan expires, is forfeited, canceled, or otherwise terminated without delivery of shares or is settled in cash. Each award under the Incentive Plan is subject to the Company's clawback policy in effect at the time of grant of the award.

The Board may amend, suspend, discontinue, or terminate the Incentive Plan or the authority to grant awards thereunder without stockholder approval, except as required by law or regulation or under rules of the stock exchange, if any, on which the Company's stock may then be listed. Unless earlier terminated, the granting of awards under the Incentive Plan will terminate ten years after stockholder approval of the Incentive Plan, and the Incentive Plan will terminate when no shares remain available and the Company has no further obligation with respect to any outstanding award.

Section 16(a) Beneficial Ownership Reporting Compliance

Under Section 16(a) of the Exchange Act, all executive officers, directors, and each person who is the beneficial owner of more than 10% of the outstanding shares of a company that files reports pursuant to Section 12 of the Exchange Act, are required to report the ownership of such shares, options, and stock appreciation rights (other than certain cash-only rights) and any changes in that ownership with the SEC. Specific due dates for these reports have been established, and we are required to report, in this Proxy Statement, any failure to comply therewith during the fiscal year ended December 31, 2021.

Other than as set forth in the Delinquent Section 16(a) Reports section below, we believe that all of these filing requirements were satisfied by the Company's executive officers, directors and by the beneficial owners of more than 10% of our Common Shares. In making this statement, we have relied solely on copies of any reporting forms received by us, and upon any written representations received from reporting persons that no Form 5 (Annual Statement of Changes in Beneficial Ownership) was required to be filed under applicable rules of the Commission.

Delinquent Section 16(a) Reports

Each of Robert Fireman and Jon Levine was not timely in the filing of one Form 4 during the fiscal year ended December 31, 2021 relating to options exercised in December 2021.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Effective July 1, 2021, we entered into the Fireman Employment Agreement, the Levine Employment Agreement and the Shaw Employment Agreement, all as described hereinabove.

In July 2021, we granted five-year options to purchase up to 100,000 Common Shares to each of our three independent board members at an exercise price of \$0.88 per share.

In December 2021, Messrs. Fireman, our Chief Executive Officer, and Levine, our then Chief Financial Officer, each exercised options to purchase 100,000 Common Shares on a cashless basis. The exercise price of \$0.63 per share was paid via the surrender by each individual of 73,256 Common Shares.

In April 2020, we issued options to purchase up to 50,000 Common Shares to Mr. Shaw, our Chief Operating Officer, with an exercise price of \$0.30 per share and expiring three years from grant date. The fair value of these options of approximately \$6,000 was charged to compensation expense over the annual vesting period.

In 2020, options to purchase an aggregate of 550,000 Common Shares were exercised by Mr. Fireman, Mr. Levine and an independent board member at exercise prices of \$0.13 and \$0.14 per share.

Our corporate offices are leased from an entity in which Mr. Levine has an investment interest. This lease expires in October 2028 and contains a five-year extension option. In 2021 and 2020, expenses incurred under this lease approximated \$156,000 in both years.

We procure nutrients, lab equipment, cultivation supplies, furniture, and tools from an entity owned by the family of Mr. Shaw. The aggregate purchases from this entity in 2021 and 2020 approximated \$4.9 million and \$2.5 million, respectively.

We pay royalties on the revenue generated from our Betty's Eddies product line to an entity owned by Mr. Shaw under a royalty agreement. This agreement was amended effective January 1, 2021 whereby, among other modifications, the royalty percentage changed from 2.5% on all sales of Betty's Eddies products to (i) 3.0% and 10.0% of wholesale sales of existing products within the product line if sold directly by us, or licensed by us for sale by third-parties, respectively, and (ii) 0.5% and 1.0% of wholesale sales of future developed products within the product line if sold directly by us, or licensed by us for sale by third-parties, respectively. The aggregate royalties due to this entity in 2021 and 2020 approximated \$266,000 and \$615,000, respectively.

In 2021 and 2020, one of our majority owned subsidiaries paid aggregate distributions of approximately \$44,000 and \$30,000, respectively, to Messrs. Fireman and Levine, who own minority equity interests in such subsidiary. In 2021, another of our majority owned subsidiaries paid distributions of approximately \$7,000 to a current employee who owns a minority equity interest in such subsidiary.

Our mortgages with Bank of New England, DuQuoin State Bank, and South Porte Bank are personally guaranteed by Messrs. Fireman and Levine.

Policies and Procedures for Related Party Transactions

As required under the Audit Committee Charter, the Audit Committee is responsible for reviewing and approving all related party transactions for potential conflict of interest situations. A related party transaction refers to transactions required to be disclosed pursuant to Item 404 of Regulation S-K promulgated by the SEC. In evaluating related person transactions, the Audit Committee considers all factors it deems appropriate, including, without limitation, whether the related person transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances, the extent of the related person's interest in the transaction, and whether products or services of a similar nature, quantity, or quality are readily available from alternative sources.

Proposal No. 2

ADVISORY APPROVAL OF THE APPOINTMENT OF INDEPENDENT AUDITORS

M&K has been our independent auditor since 2018. Their audit report appears in our annual report for the fiscal year ended December 31, 2021. One or more representatives of M&K is expected to be at the Annual Meeting and will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions from our stockholders.

Selection of the independent accountants is not required to be submitted to a vote of our stockholders for advisory approval. In addition, the Sarbanes-Oxley Act of 2002 requires the Audit Committee to be directly responsible for the appointment, compensation, and oversight of the audit work of the independent auditors. The Audit Committee expects to appoint M&K to serve as independent auditors to conduct an audit of our accounts for the 2022 fiscal year. However, the Board is submitting this matter to our shareholders as a matter of good corporate practice. If the stockholders fail to vote on an advisory basis in favor of the selection, the Audit Committee will take that into consideration when deciding whether to retain M&K and may retain that firm or another without re-submitting the matter to the stockholders. Even if stockholders vote on an advisory basis in favor of the appointment, the Audit Committee may, in its discretion, direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in our and our stockholders' best interests.

**The Board recommends a vote FOR this proposal
and proxies that are signed and returned will be so voted
unless otherwise instructed.**
