THE VOTING AND VOTE REQUIRED

Record Date and Quorum

Only stockholders of record at the close of business on April 15, 2024 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. On the Record Date, we had 379,389,444 shares of common stock, par value \$0.001 per share ("Common Shares") outstanding, 4,908,333 shares of Series B Convertible Preferred Stock, par value \$0.001 per share ("Series B Preferred Shares") outstanding and 1,155,274 shares Series C Convertible Preferred Stock, par value \$0.001 per share ("Series C Preferred Shares") outstanding. Each Common Share is entitled to one vote, each Series B Preferred Share is entitled to the number of votes equal to the number of whole Common Shares into which the Series B Preferred Shares are convertible as of the Record Date and the Series C Preferred Shares are non-voting shares. As of the Record Date, each Series B Preferred Share is convertible into one Common Share and therefore entitled to one vote. The Common Shares and the Series B Preferred Shares (collectively, the "Shares") will vote together as a single class on the matters to be voted on at this Annual Meeting. In the aggregate, 384,297,777 votes may be cast at the Annual Meeting. Shares represented by each properly executed, unrevoked proxy received in time for the Annual Meeting will be voted as specified. A quorum will be present at the Annual Meeting if stockholders owning a majority of the Shares outstanding on the Record Date are present at the meeting in person or by proxy.

Voting of Proxies

The persons acting as proxies (the "Proxyholders") pursuant to the enclosed proxy will vote the Shares represented as directed in the signed proxy. Unless otherwise directed in the proxy, the Proxyholders will vote the Shares represented by the proxy: (i) for the election of the director nominees named in this Proxy Statement; (ii) for the advisory approval of the appointment of M&K CPAs PLLC as the Company's independent auditors for the year ending December 31, 2024 (the "Approval of Auditors") and (iii) in their discretion, on any other business that may come before the Annual Meeting and at any adjournments of the Annual Meeting.

All votes will be tabulated by the inspector of election appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. All shares represented by valid proxies will be voted in accordance with the instructions contained therein. In the absence of instructions, proxies will be voted FOR each of the stated matters being voted on at the Annual Meeting. A proxy may be revoked by the stockholder giving the proxy at any time before it is voted, by written notice addressed to and received by the Secretary of the Company or Secretary of the meeting, and a prior proxy is automatically revoked by a stockholder giving a subsequent proxy or attending and voting at the Annual Meeting. Attendance at the Annual Meeting, however, in and of itself does not revoke a prior proxy. In the case of the election of directors, Shares represented by a proxy which is marked "WITHHOLD ALL" to vote for all director nominees will not be counted in determining whether a plurality vote has been received for the election of directors. Shares represented by proxies that are marked "ABSTAIN" on the Approval of Auditors or any other proposal will not be counted in determining whether the requisite vote has been received for such proposal. However, Shares represented by proxies which are marked "WITHHOLD ALL" or "ABSTAIN" will be counted for quorum purposes.

Broker Non-Votes

A broker non-vote occurs when Shares held by a broker are not voted with respect to a particular proposal because the broker does not have discretionary authority to vote on the matter and has not received voting instructions from its clients ("broker non-votes"). If your broker holds your Shares in its name and you do not instruct your broker how to vote, your broker will only have discretion to vote your Shares on "routine" matters. Where a proposal is not "routine," a broker who has not received instructions from its clients does not have discretion to vote its clients' uninstructed Shares on that proposal. At the Annual Meeting, only the Approval of Auditors (Proposal No. 2) is considered a routine matter. All other proposals are considered "non-routine," and your broker will not have discretion to vote on those proposals. Broker non-votes will, however, be counted towards determining whether or not a quorum is present.

Voting Requirements

Election of Directors. The election of the five director nominees will require the affirmative vote of a plurality of the votes cast by the holders of Shares present in person or represented by proxy to elect each nominee. Election by a plurality means that the director nominee with the most votes for a particular Board seat is elected for that seat.

Advisory Approval of the Appointment of Independent Auditors. The affirmative vote of a majority of the votes cast on the matter by stockholders entitled to vote at the Annual Meeting is required for the advisory approval of the appointment of M&K CPAs PLLC as the Company's independent auditors for the fiscal year ending December 31, 2024. An abstention from voting on approval of auditors will be treated as "present" for quorum purposes. However, since an abstention is not treated as a "vote" for or against the matter, it will have no effect on the outcome of the vote on this matter.

Proposal No. 1

ELECTION OF DIRECTORS

Five directors are to be elected at the Annual Meeting. All directors hold office until the next annual meeting of stockholders and until their successors are duly elected and qualified.

It is intended that votes pursuant to the enclosed proxy will be cast for the election of the five nominees named below. Code of Ethics

We have adopted a code of ethics (the “Code of Ethics”) that applies to our Board, executive officers and employees. A copy of the Code of Ethics was filed as Exhibit 14.1 to a previous annual report and is posted on our website at <https://marimedinc.com/>. The Code of Ethics was designed with the intent to deter wrongdoing, and to promote the following:

- Honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- Full, fair, accurate, timely and understandable disclosure in reports and documents that we file with, or submit to, the U.S. Securities and Exchange Commission (“SEC”) and in other public communications we make;
- Compliance with applicable governmental laws, rules and regulations;
- The prompt internal reporting of violations of the code to an appropriate person or persons identified in the Code of Ethics; and
- Accountability for adherence to the code.

Director Independence

The Board has determined that Messrs. Gildea and Allen, Dr. Selhub and Ms. Tucker, who represent a majority of its members, are independent. In determining director independence, the Board applies the independence standards set by the Nasdaq Stock Market (“NASDAQ”). In applying these standards, our Board considers all transactions with the independent directors and the impact of such transactions, if any, on any of the independent director’s ability to continue to serve on the Board.

Board Committees

The Board has three standing committees: an audit committee (the “Audit Committee”), a compensation committee (the “Compensation Committee”) and a nominating and governance committee (the “Nominating and Governance Committee”). Each committee is made up entirely of independent directors as defined under section 5605(a)(2) of the NASDAQ rules. The members of the Audit Committee are Messrs. Allen and Gildea and Ms. Tucker. Mr. Allen is also the chairperson of the Audit Committee and qualifies as the “audit committee financial expert” pursuant to Item 407(d)(5) of Regulation S-K. The members of the Compensation Committee are Messrs. Allen and Gildea and Ms. Tucker, and the members of the Nominating and Governance Committee are Messrs. Allen and Gildea and Dr. Selhub. Ms. Tucker is the chairperson of the Compensation Committee and Dr. Selhub is the chairperson of the Nominating and Governance Committee.

The Audit Committee, the Compensation Committee, and the Nominating and Governance Committee have the responsibilities described below.

Audit Committee

The Audit Committee oversees our accounting and financial reporting processes, internal systems of accounting and financial controls, relationships with auditors and audits of financial statements. Specifically, the Audit Committee’s responsibilities include the following:

- selecting, hiring and terminating our independent auditors;
- evaluating the qualifications, independence and performance of our independent auditors;
- approving the audit and non-audit services to be performed by our independent auditors;
- reviewing the design, implementation and adequacy and effectiveness of our internal controls and critical policies;

- overseeing and monitoring the integrity of our financial statements and our compliance with legal and regulatory requirements as they relate to our financial statements and other accounting matters;
- with management and our independent auditors, reviewing any earnings announcements and other public announcements regarding our results of operations; and
- preparing the report that the SEC requires in our annual proxy statement.

A copy of the Audit Committee charter is available on our website at <https://marimedinc.com/>.

Compensation Committee

The Compensation Committee assists the Board in determining the compensation of our officers and directors. The Compensation Committee is comprised entirely of directors who satisfy the standards of independence applicable to Compensation Committee members established under 162(m) of the Internal Revenue Code of 1986, as amended, and Section 16(b) of the Securities and Exchange Act of 1934, as amended (the “Exchange Act”). Specific responsibilities include the following:

- approving the compensation and benefits of our executive officers;
- reviewing the performance objectives and actual performance of our executive officers; and
- administering our stock option and other equity and incentive compensation plans.

Nominating and Governance Committee

The Nominating and Governance Committee assists the Board by identifying and recommending individuals qualified to become members of the Board. Specific responsibilities include the following:

- evaluating the composition, size and governance of our Board and its committees and making recommendations regarding future planning and the appointment of directors to our committees;
- establishing a policy for considering stockholder nominees to our Board;
- reviewing our corporate governance principles and making recommendations to the Board regarding possible changes; and
- reviewing and monitoring compliance with our Code of Ethics.

Meeting Attendance

During fiscal year 2023, the Board held nine (9) meetings, the Audit Committee held six (6) meetings, the Compensation Committee held three (3) meetings and the Nominating and Governance Committee held two (2) meetings. All directors attended or participated in at least 75% of the aggregate number of meetings of the Board and of the Board’s committees on which each applicable director served. It is our policy to encourage directors to attend the Annual Meeting. All of the director nominees who were directors at the time attended our 2023 annual meeting of stockholders.

Audit Committee Report

The Audit Committee oversees our financial reporting process on behalf of the Board. The Audit Committee consists of three (3) members of the Board who meet the independence and experience requirements of NASDAQ and the SEC.

The Audit Committee retained M&K CPAs PLLC (“M&K”), our independent registered public accounting firm, and approves in advance all permissible non-audit services performed by them and other auditing firms. Although management has the primary responsibility for the financial statements and the reporting process including the systems of internal control, the Audit Committee consulted with management and M&K regarding the preparation of financial

statements, the adoption and disclosure of our critical accounting estimates, and generally oversees our relationship with M&K.

The Audit Committee reviewed our audited financial statements for the year ended December 31, 2023 and met with management to discuss such audited financial statements. The Audit Committee has discussed with M&K the matters required to be discussed pursuant to applicable auditing standards. The Audit Committee has received the written disclosures and the letter from M&K required by the Public Company Accountant Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence and has discussed with M&K its independence from us and our management. M&K had full and free access to the Audit Committee. Based on its review and discussions, the Audit Committee recommended that our audited financial statements for the year ended December 31, 2023 be included in our Annual Report on Form 10-K for the year then ended as filed with the U.S. Securities and Exchange Commission.

AUDIT COMMITTEE:

David Allen
Edward Gildea
Kathleen Tucker

The above report is not deemed to be "soliciting material," and is not deemed to be "filed" with the SEC.

Board Nominations

The Nominating and Governance Committee is responsible for nominating director candidates for the annual meeting of stockholders each year and considered director candidates recommended by stockholders. In considering candidates submitted by stockholders, the Nominating and Governance Committee will take into consideration the needs of the Board and the qualifications of the candidate. The Nominating and Governance Committee may also take into consideration the number of Shares held by the recommending stockholder and the length of time that such shares have been held.

To have a candidate considered by the Nominating and Governance Committee for recommendation to the Board for nomination as a director candidate, a stockholder must submit the recommendation in writing and must include the following information: (i) the name of the stockholder and evidence of such stockholder's ownership of Shares (including the number of Shares owned and the length of time of ownership); (ii) the name of the candidate; (iii) the candidate's resume or a listing of such candidate's qualifications to be a director of the Company; and (iv) the person's consent to be named as a director if selected and nominated by the Board.

The information described above must be sent to the Company's Secretary at 10 Oceana Way, Norwood, Massachusetts 02062, on a timely basis in order to be considered by the Nominating and Governance Committee, within the time period prescribed by Rule 14a-8 under the Exchange Act.

Disclosure of Director Qualifications

The Board is responsible for assembling for stockholder consideration a group of nominees that, taken together, have the experience, qualifications, attributes, and skills appropriate for functioning effectively as a Board.

The Board believes that the minimum qualifications for service as a director are that a nominee possess an ability, as demonstrated by recognized success in his or her field, to make meaningful contributions to the Board's oversight of the business and affairs of the Company and an impeccable reputation of integrity and competence in his or her personal and professional activities. The Board's criteria for evaluating potential candidates include the following: (i) an understanding of the Company's business environment, (ii) the possession of such knowledge, skills, expertise and diversity of experience that would enhance the Board's ability to manage and direct the affairs and business of the Company, and (iii) certain characteristics common to all Board members, including integrity, strong professional reputation and record of achievement, constructive and collegial personal attributes, and the ability and commitment to devote sufficient time and energy to Board service.

In addition, the Board seeks to include on the Board a complementary mix of individuals with diverse backgrounds and skills reflecting the broad set of challenges that the Board confronts.

Board Leadership Structure

In February 2023, the Board determined that the Board leadership structure that is most appropriate for the Company at this time is a non-executive chairman of the Board. Edward Gildea has been serving as our non-executive chairman since February 2023 and has been a director since our formation. Prior to that, since July 2017, the position of chairman of the board was held by Robert Fireman, our former chief executive officer, until he passed away in December 2022. The Board evaluates its leadership structure and role in risk oversight on an ongoing basis and makes decisions on the basis of what it considers to be best for the Company at any given point in time. Currently, our Board leadership structure consists of an independent chairman of the board, a separate chief executive officer, and strong committee chairs. The Board believes its leadership structure provides for appropriate independence between the Board and management because the current leadership structure offers the following benefits: (i) increased independent oversight of the Company and enhanced objective evaluation of our chief executive officer by our Board, (ii) allows the chief executive officer to focus primarily on company operations instead of Board administration, (iii) provides the chief executive officer with an experienced sounding board, (iv) provides greater opportunities for communication between management and our Board, (v) enhances the independent and objective assessment of risk by our Board, and (vi) provides an independent spokesperson for our Company.

The Board's Oversight of Risk Management

The Board recognizes that all companies face a variety of risks, including credit risk, liquidity risk, strategic risk, and operational risk. The Board believes an effective risk management system will (1) timely identify the material risks that we face, (2) communicate necessary information with respect to material risks to senior executives and, as appropriate, to the Board or relevant Board committee, (3) implement appropriate and responsive risk management strategies consistent with our risk profile, and (4) integrate risk management into our decision-making. The Board encourages, and management promotes, a corporate culture that incorporates risk management into our corporate strategy and day-to-day business operations. The Board also continually works, with the input of our management and executive officers, to assess and analyze the most likely areas of future risk for us.

Communications with Directors

The Board has established a process to receive communications from stockholders. Stockholders and other interested parties may contact any member (or all members) of the Board, or the non-management directors as a group, by mail or electronically. To communicate with the Board, any individual director or any group of directors, correspondence should be addressed to the Board or any such individual directors or group of directors by either name or title. All such correspondence should be sent to c/o Secretary, MariMed Inc., 10 Oceana Way, Norwood, Massachusetts 02062.

All communications received as set forth in the preceding paragraph will be opened by the Secretary of the Company for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, patently offensive material or matters deemed inappropriate for the Board, will be forwarded promptly to the addressee. In the case of communications to the Board or any group of directors, the Secretary will make sufficient copies of the contents to send to each director who is a member of the group to which the envelope or e-mail is addressed.

Trading Restrictions

All of our officers, directors and employees are subject to our insider trading policy, which prohibits trading in our securities while in possession of material nonpublic information about us. In addition, all trades by directors, Named Executives (set forth below) and certain other employees and consultants must be pre-approved by our designated chief compliance officer. Under this policy, such individuals are also prohibited from entering into hedging transactions involving our securities such as short sales, puts and calls.

COMPENSATION OF DIRECTORS

The Compensation Committee reviews the compensation of our non-employee directors periodically and recommends changes to the Board when it deems appropriate. During 2023, the Compensation Committee recommended to the Board, and the Board approved to increase the annual retainer from \$25,000 to \$40,000 and to increase the annual equity grant to 75,000 restricted stock units ("RSUs") that vest one year from the date of grant. Each RSU represents a

contingent right to receive one Common Share and converts to Common Shares on a one-for-one basis. The Board also approved additional annual stipends for Board members who Chair its committees, as follows:

- Chairman of the Board: \$10,000
- Chairperson, Audit Committee: \$7,500
- Chairperson, Compensation Committee: \$5,000
- Chairperson, Nominating and Governance Committee: \$5,000

- (2) The amounts shown in these columns do not reflect compensation actually received by the Named Executives. Instead, the amounts primarily reflect the grant date fair value of each stock award granted to each Named Executive. The grant date fair values of stock awards were calculated in accordance with ASC 718. The grant date fair value of restricted stock grants and RSUs is equal to the closing price of our Common Shares on the date of grant. We use the Black-Scholes valuation model to calculate the grant date fair value of stock options. The Black-Scholes valuation model incorporates assumptions regarding the risk-free rate of return, expected stock dividends, stock price volatility and the estimated life of options to calculate the grant date fair value of an option.
- (3) The amount reported for stock awards for the year ended December 31, 2023 for Mr. Levine is comprised of a March 2023 grant of 140,000 RSUs, with a grant date fair value of \$65,800, representing his award under the Company’s annual bonus incentive program for the 2022 fiscal year (the “2022 Bonus Program”), and a November 2023 grant of 450,000 RSUs, with a grant date fair value of \$146,250. Employment Agreements

On July 9, 2021, we entered into an employment agreement, effective as of July 1, 2021, with each of Jon R. Levine (the “Levine Agreement”) and Timothy Shaw. In May 2022, the Levine Agreement was amended in connection with the change in his title from Chief Financial Officer to Chief Administrative Officer. On September 7, 2022, the Levine Agreement was again amended in connection with the change in his title from Chief Administrative Officer to President.

Effective February 28, 2023, we entered into an amended and restated employment agreement with each of Messrs. Levine (the “A&R Levine Agreement”) and Shaw (the “A&R Shaw Agreement”) and a new employment agreement with Susan M. Villare, our former Chief Financial Officer (the “Villare Agreement”) (the A&R Levine Agreement, the A&R Shaw Agreement and the Villare Agreement are collectively the “Employment Agreements”). Upon Ms. Villare’s resignation from all of her positions with us in October 2023, the Villare Agreement was terminated.

The following is a brief description of the material terms of the respective Employment Agreements:

Pursuant to the A&R Levine Agreement, Mr. Levine has a base salary of \$375,000, effective March 1, 2023, with a target bonus opportunity equal to 60% of his then-applicable annual base salary and a maximum bonus opportunity equal to 120% of his then-applicable annual base salary.

Pursuant to the Villare Agreement, Ms. Villare had a base salary of \$300,000, with a target bonus opportunity equal to 60% of her then-applicable annual base salary and a maximum bonus opportunity equal to 120% of her then-applicable annual base salary.

Each of the Employment Agreements provides for severance payments and benefits upon certain terminations of employment under the terms of their respective Employment Agreement. Upon termination of an Executive’s employment by the Company without Cause or by an Executive for Good Reason (each as defined in the Employment Agreements), such Executive is entitled to severance payments equal to: (i) 12 months of his/her base salary, payable over 12 months following termination; (ii) the aggregate sum of the Company’s share of medical, dental, and vision insurance premiums for such Executive and his/her dependents for a 12-month period, payable over 12 months following termination; (iii) in the event such termination occurs less than six months following the commencement of the fiscal year, such Executive shall be entitled to receive a prorated target bonus, prorated based on the number of days actually employed in such fiscal year (the “Pro Rata Bonus”), payable on the severance commencement date; and (iv) in the event such termination occurs six months or later following the commencement of the fiscal year, an amount equal to the target bonus (the “Target Bonus”), payable on the severance commencement date. In addition, upon such termination, the Executive’s equity awards that are subject to vesting based solely upon such Executive’s continued service with us and that would have vested during the 12-month period following the date of termination of employment will vest.

Notwithstanding the foregoing, in the event of a termination by the Company without Cause or by an Executive for Good Reason during a Change in Control Protection Period (as defined in the Employment Agreements), such Executive is entitled to receive a cash lump sum payment equal to: (a) the sum of 24 months of such Executive’s base salary; (b) two times such Executive’s target bonus for the calendar year in which the date of termination occurs; (c) the

aggregate sum of the Company's share of medical, dental, and vision insurance premiums for such Executive and his/her dependents for a 24-month period; (d) if in the event such termination occurs less than six months following the commencement of the fiscal year, such Executive shall be entitled to receive the Pro Rata Bonus, payable on the severance commencement date; and (e) in the event such termination occurs six months or later following the commencement of the fiscal year, an amount equal to the Target Bonus, payable on the severance commencement date. In addition, upon such termination, any of such Executive's unvested equity awards outstanding immediately prior to the date of termination will automatically become fully vested and exercisable as of the date of termination.

In the event an Executive's employment with us is terminated as a result of his or her death or Disability (as defined in the Employment Agreements), in addition to Accrued Benefits (as defined in the Employment Agreements), the Company will pay such Executive or his estate or representative the Pro Rata Bonus.

(1) Consists of 35,599,421 options to purchase Common Shares and 5,825,538 RSUs, all of which do not have voting or other rights of ownership, under the Amended and Restated 2018 Stock Award and Incentive Plan, as amended (the "2018 Plan").

(2) Represents the weighted average exercise price for the 35,599,421 outstanding options to purchase Common Shares under the 2018 Plan. RSUs issued under the 2018 Plan do not require a payment by the recipient to us at the time of vesting. As such, the weighted average exercise price does not take these awards into account.

The 2018 Plan is an omnibus plan, authorizing a variety of equity award types as well as cash and long-term incentive awards. Each award under the 2018 Plan is subject to the Company's clawback policy in effect at the time of grant of the award. Shares actually delivered in connection with an award will be counted against the aggregate number of reserved shares. Shares will remain available for new awards if an award under the 2018 Plan expires, is forfeited, canceled, or otherwise terminated without delivery of shares or is settled in cash.

The Board may amend, suspend, discontinue, or terminate the 2018 Plan or the authority to grant awards thereunder without stockholder approval, except as required by law or regulation or under rules of the stock exchange, if any, on which the Company's stock may then be listed. Unless earlier terminated, the granting of awards under the 2018 Plan will terminate ten years after stockholder approval of the 2018 Plan or when no shares remain available and the Company has no further obligation with respect to any outstanding award.

In making this statement, we have relied solely on copies of any reporting forms received by us, and upon any written representations received from reporting persons that no Form 5 (Annual Statement of Changes in Beneficial Ownership) was required to be filed under applicable rules of the Commission.

Proposal No. 2

ADVISORY APPROVAL OF THE APPOINTMENT OF INDEPENDENT AUDITORS

M&K has been our independent auditor since 2018. Their audit report appears in our annual report for the fiscal year ended December 31, 2024. One or more representatives of M&K is expected to be at the Annual Meeting and will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions from our stockholders.

Selection of the independent accountants is not required to be submitted to a vote of our stockholders for advisory approval. In addition, the Sarbanes-Oxley Act of 2002 requires the Audit Committee to be directly responsible for the appointment, compensation, and oversight of the audit work of the independent auditors. The Audit Committee has appointed M&K to serve as independent auditors to conduct an audit of our accounts for the 2024 fiscal year. However,

the Board is submitting this matter to our stockholders as a matter of good corporate practice. If the stockholders fail to vote on an advisory basis in favor of the selection, the Audit Committee will take that into consideration when deciding whether to retain M&K and may retain that firm or another without re-submitting the matter to stockholders. Even if stockholders vote on an advisory basis in favor of the appointment, the Audit Committee may, in its discretion, direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in our and our stockholders' best interests.

**The Board recommends a vote FOR the approval, on an advisory basis, of
the appointment of M&K as our independent accountants for 2024.**

MISCELLANEOUS

Other Matters

Management knows of no other matters, other than the foregoing, to be brought before the Annual Meeting, but if such other matters properly come before the Annual Meeting, or any adjournment thereof, the Proxyholders will vote such proxy on such matters in accordance with their best judgment.

Certain information contained in this Proxy Statement relating to the credentials and security holdings of our directors and officers is based upon information provided by the individual directors and officers.

Reports and Consolidated Financial Statements

Our Annual Report on Form 10-K for the year ended December 31, 2023, including our Audited Consolidated Financial Statements (the "Form 10-K"), are included with the proxy materials for this Annual Meeting. Such report and consolidated financial statements contained therein are not incorporated herein by reference and are not considered part of this soliciting material.

A copy of the Form 10-K, without exhibits, will be provided without charge to any stockholder submitting a written request. With the payment of an appropriate processing fee, we will provide copies of the exhibits to the Form 10-K. Such request should be addressed to our principal executive offices:

MariMed Inc.
10 Oceana Way
Norwood, Massachusetts 02062.
Attention: Steve West, Vice President, Investor Relations

Solicitation of Proxies

The entire cost of the solicitation of proxies will be borne by us. Proxies may be solicited by our directors, officers and regular employees, without extra compensation, by telephone, telegraph, mail or personal interview. Solicitation is not to be made by specifically engaged employees or paid solicitors. We will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable expenses for sending proxies and proxy material to the beneficial owners of Common Shares.

Stockholder Proposals for Next Annual Meeting

Stockholders who intend to have a proposal considered for inclusion in our proxy materials for presentation at our next year's annual meeting pursuant to Rule 14a-8 under the Exchange Act must submit the proposal to our Secretary at our offices at 10 Oceana Way, Norwood, Massachusetts 02062, in writing not later than December 31, 2024, which is 120 calendar days before the one-year anniversary date on which this Proxy Statement was mailed to our stockholders in connection with this Annual Meeting, and must otherwise comply with the rules promulgated by the SEC.

If the date of next year's annual meeting is changed by more than 30 days from the anniversary date of the Annual Meeting on June 6, 2024, then the deadline is a reasonable time before we begin to print and mail proxy materials for next year's annual meeting. In such an event, we expect to issue a press release announcing such change and take reasonable steps necessary to inform other relevant parties of the change including intermediaries in the proxy process.

Householding of Annual Meeting Materials

Some banks, brokers and other nominee record holders may be participating in the practice of "householding" proxy statements and annual reports. This means that only one copy of this Proxy Statement or Annual Report may have been sent to multiple stockholders in your household. We will promptly deliver a separate copy of either document to you if you write or call us at the following address or phone number: 10 Oceana Way, Norwood, Massachusetts 02062, (781) 277-0007. If you want to receive separate copies of the annual report and proxy statement in the future or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your bank, broker, or other nominee record holders, or you may contact us at the above address and phone number.

WHETHER OR NOT YOU PLAN TO ATTEND THE ANNUAL MEETING IN PERSON, WE URGE YOU TO SUBMIT YOUR VOTE VIA THE INTERNET, BY TELEPHONE OR BY SIGNING, DATING AND RETURNING YOUR PROXY IN THE ENCLOSED ENVELOPE, WHICH REQUIRES NO POSTAGE IF MAILED IN THE UNITED STATES, AS SOON AS POSSIBLE, SO THAT YOUR SHARES CAN BE VOTED AT THE ANNUAL MEETING IN ACCORDANCE WITH YOUR INSTRUCTIONS.

By order of the Board of Directors,

Edward Gildea
Chairman of the Board
